

COMPLETE B2B PRODUCT PORTFOLIO & PRICE REFERENCE

91 unique products | Existing SKUs preserved | New SKUs assigned to remaining products | Vertical and horizontal grid lines for easy quotation reference

IMPORTANT PRICING NOTE: Prices shown are reference values from the pricing strategy and are subject to prevailing seasonal market rates, product grade, availability and order quantity. Products without a confirmed price are marked TBD.

Price basis follows the uploaded strategy sheet: USD/KG or L as applicable. For newly added products, price fields remain TBD until a seasonal quotation is confirmed.

Quotation Guidance: Please reference the SKU when requesting a quote. For TBD items, share required quantity, grade/form and destination so current seasonal pricing can be confirmed. Future additions: the next available serial number is 97, and new products can continue using the same category-based SKU structure without redesigning the catalogue.
